

Editorial: Welfare Ignored

Early this year, the Newmarket town council authorized and encouraged the formation of the Newmarket Community Recreation Council. The task of the community recreation council was to provide the means for an organized and supervised program of recreation for young and old in Newmarket.

Towards that end the recreation council asked for and received the co-operation of the school boards, the Lions club, the churches and other public bodies in the recreation program. An executive was elected at a public meeting. A constitution was passed. The machinery under which a community recreation program could operate was set in motion. A budget was worked out.

The Newmarket town council was asked to provide \$1,000 as its share of the cost. The council granted \$500.

When the budget was brought down and the grant for the recreation council appeared as \$500, members of the council had two opportunities to change it to \$1,000. Mayor Dr. L. W. Dales and R. C. Morrison moved the grant be made \$1,000. They were the only ones to vote in favor of it. They moved it be made \$300. Again they were the only ones in favor of it.

Members of the council had ample opportunity to examine the policies of the recreation council when a deputation from the recreation council appeared before them to ask for the \$1,000 two weeks ago. Only one member, Joseph Vale, asked questions. The other members of the town council showed no particular interest.

Members of the town council knew of the work being done by the recreation council. Regular reports were made by Mrs. Caroline Edwards, chairman of the recreation committee of council and vice president of the recreation council. All meetings of the recreation council were reported in The Era and Express.

Under no circumstances can those members of the town council who refused the request for \$1,000 plead ignorance of the recreation council and its purpose.

Those members of the town council, Reeve Arthur D. Evans, Deputy-Reeve J. L. Spillette, Joseph Vale, G. M. Byers, J. A. Perks and Frank Bowser, who would not approve of the grant of \$1,000 to the recreation council, can only plead, at the very least, a refusal to be progressive, a refusal to take an interest in the welfare of the citizens who elected them and a refusal to recognize the obligations they assumed when they authorized the formation of the Newmarket Community Recreation Council.

A grant of \$1,000 was sought by the recreation council because it represented the minimum amount under which the council could operate. In round figures, the estimated budget for the recreation council for the remainder of the year is \$3,000. Broken down, the total represents \$1,000 from the town council, \$1,500 from a public appeal and remainder made up by a grant received from the province representing one-third of the salaries paid by the town in the operation of the arena during 1945.

A major portion of this total must be paid in salaries to a recreation director during the balance of the year. Equipment and financial aid to organizations take the remainder. It cost the Newmarket Lions club over \$600 to operate a six-week summer program. What does the Newmarket town council expect can be operated with \$500?

Newmarket has long needed a year round community recreation program. The evidence is there. Not only does public opinion strongly support such a program, but members of the town council themselves have advocated such a program. Was it only a gesture in the direction of public opinion?

The town council is free with grants to help establish industry here. The town council can spend more than twice the grant asked for recreation on moving earth. The provision of recreation is just as important, as everyone, with the exception of the council members named above, seems to recognize.

The citizens of Newmarket can have a recreation program, the value of which was so evident last summer when the Lions club sponsored a summer program, if they want one. The machinery has been set up. The organization exists. For once, let the Newmarket town council pay heed to wishes of the men and women who elected them to office. For once, let the members of the town council recognize their obligations in full.

To Discuss High School Areas At April 3 Meeting

A public meeting with invitations being sent to municipal officers, school board trustees, and teachers in Newmarket and the area about it, will be held in Newmarket high school auditorium Wednesday, April 3, to discuss the formation of a high school area.

Inspector O. M. MacKillop, in Newmarket Tuesday to make arrangements, said that high school areas were being considered for York county and that the Newmarket meeting was one of many which have been held and which are planned in the future. Mr. MacKillop said that the purpose of a high school area was to lay out the district covered by a secondary school in terms of population rather than according to municipal boundary lines. The proposal comes from the department of education for Ontario and the meeting will be addressed by a representative of the department.

It was because of the possibility of the creation of a high school area that plans for the addition of a new wing to the high school for the teaching of home economics, and shop work, were postponed.

Recreation Council Suspends Business Until Grant Heard

The executive of the Newmarket Community Recreation Council unanimously agreed to suspend all further activity until the Newmarket town council has been approached again this Monday with a request that the full grant of \$1,000 be given by the town council to the recreation council.

Last Monday night, the budget for Newmarket was brought down and the grant for the recreation council was listed as \$500, half of what was asked for. A motion by R. C. Morrison that the grant be increased to \$800, and an amendment by Mayor Dr. L. W. Dales that the grant be made the full amount of \$1,000 were defeated. The motion and the amendment were supported only by Mayor Dales and Mr. Morrison. Mrs. Caroline Edwards, chairman of the recreation committee of council, and vice-president of the recreation council, was not present.

The decision to suspend all business of the recreation council until after the town council

had been approached and asked to make the grant in full, came after members of the executive agreed that the refusal of the town council to make the grant in full could only be interpreted as a lack of confidence in the recreation council.

It was agreed that a deputation of the whole executive appear before the town council Monday night to answer any questions or make any explanations the members of the town council might seek.

The following is a list of the active executive: chairman, C. R. Blackstock; first vice chairman, Mrs. Caroline Edwards; second vice chairman, Dr. J. Gordon Cook; treas., George Phimister; sec., John Meyer; assist. sec., Phyllis Osborne; chairman of facilities committee, W. H. Bell; chairman of equipment committee, R. C. Morrison; chairman of publicity committee, Mrs. Madeline Mathews; chairman of the program committee, Fred L. Hall; chairman of the finance committee, Mrs. M. B. Seldon.

What Has Been Accomplished

What has been done so far by the Newmarket Community Recreation Council:

The Newmarket Community Recreation Council was formed when the rink and recreation committee of the Newmarket town council was authorized to organize a community recreation council.

A public meeting was held early this year. A nominating committee was named which presented a slate of officers at a second public meeting.

Following the election of officers, a tentative constitution was presented to the second public meeting and was adopted with the exception of the membership clause.

At a third public meeting, a new membership clause was accepted and the Newmarket Community Recreation Council became duly constituted. It applied for and received the approval of the provincial government. It has been recognized by the National Physical Fitness Council of the federal government.

Standing committees of the executive were named.

A list of facilities in Newmarket which would be made available as meeting places, or for recreational activity was started. The co-operation of all approached was given.

A publicity committee organized with the co-operation of the staffs of the public and separate schools an essay competition on the value of recreation. Plans are made for a similar contest in the high school.

A program committee has completed plans for a questionnaire so that the recreation council could learn the present recreational pursuits of Newmarket citizens and also learn their recreational needs and wishes. The recreational council would then be in a position to make intelligent plans with this information.

At least nine meetings have been held by the executive of the recreation council and numerous committee meetings have been called.

Preparations have been made for the formation of a teen-age committee of the recreation council under the chairmanship of J. B. Bastedo.

A committee has been named to interview applicants for the position of recreational director. Involved in this activity are over 30 citizens of Newmarket. Assurances of co-operation when needed have come from most of the organizations in Newmarket including schools and churches.

BOY SCOUTS' MOTHERS WILL MEET APRIL 8

A conference of presidents of the Scouts' Mothers' Auxiliary was held Tuesday, March 26, in Toronto and was attended by the local president, Mrs. C. E. Wheeland.

Mother, don't forget the April meeting of the Scouts' Mothers' Auxiliary on Monday, April 8, at 2.30 in the Scout hall. Reports of the conference will be given. Mrs. B. A. Budd can dispose of more used uniforms or parts of uniforms.

IS ILL

Miss Hannah Wright, Newmarket, formerly of Pine Orchard, is ill at her home.

T. R. HILLIARD PROMOTED TO HEAD OFFICE

The promotion of T. R. Hilliard, B.S.A., assistant agricultural representative for York county, to fill the newly created position of fieldman for the agricultural representatives

branch, provincial department of agriculture, has just been announced. Mr. Hilliard will be working out from the head office of the branch at the parliament buildings, Toronto, and will be supervising junior farmer work in its many phases throughout the province.

After serving in York for nearly two years following his graduation from the Ontario Agricultural College in 1940, Dick, as he is popularly known, served in the navy for over three years with the rank of lieutenant. Last fall, on his release from the service, he returned to the county as assistant representative to continue the work he had done with the boys' club, swine and grain clubs, and the junior farmer work.

"He has done a grand job in York county and we are pleased that his outstanding organizing and supervising ability has been recognized by the department of agriculture," stated Agricultural Representative W. M. Cockburn in announcing the promotion at the annual meeting of the York County Junior Farmers last week. Mr. Cockburn complimented his assistant on his untiring efforts both with juniors and seniors and congratulated Mr. Hilliard on his promotion, hoping he would still find time to visit our various clubs in his new role. Regrets at his leaving and best wishes in his new position were extended by all.

Mr. Hilliard's new duties will commence April 1 and it is reported he will be succeeded here immediately by A. O. Dalrymple, who has had considerable experience in some of the other counties in Ontario and for the past three months has been lecturer at the Cayuga short course.

HAS 90TH BIRTHDAY

Mrs. John H. Collins, Park Ave., celebrated her 90th birthday yesterday. Although confined to her bed for several weeks now, she was cheerful and enjoyed the day, chatting with numerous friends and relatives, some being from Toronto, who called on her with congratulations and gifts. Many flowers, plants and greeting cards were also showered upon her.

ATTEMPT BREAK-IN

Two Newmarket youths were caught breaking into the drill hall and canteen at Newmarket military camp Sunday and released after a warning. Lieut.-Col. Newton M. Young, commanding officer of the camp, said this week that any other trespassers will be prosecuted to the full extent of the law.

LIONS, GUESTS ENJOY 'WILD' 'FARMER NIGHT'

A spate of tie cutting featured the Lions club "Farmers' Night" at St. Paul's parish hall Monday night. Accused of having a tie offensive to farmer guests, W. J. Lockhart had his neckpiece snipped. Later in the evening, the perpetrators of the deed were in turn so treated by supporters of "Doc."

One of the most hilarious meetings of the club this year saw a mixed program of audience participation prepared by W. M. Cockburn and his committee. Before the crowded hall, C. A. Cathers, no midget, and Selby Evans, no giant, were entered in a contest to pace out 32 feet with Mr. Evans pacing the closest estimate.

Shown a large parsnip and asked to guess its weight, Sheldon Walker said 15 ozs., Harry West said 14 ozs. and Albert Boak said 28 ozs. The parsnip weighed 16 ozs. and was presented to Mr. Walker.

Terry Doane and Roy Stewart sang two duets and Ken Mount, James Sloss, George Byers, Stan. Lamb, Fred Lundy, with Harry Smith at the piano, attempted a harmonious version of Sweet Adeline. Before they had finished, they were bombarded with egg shells. Johnny Walker recited How We Tried to Lick the Teacher and for an encore, gave the little brother's reaction to a new addition to the family.

Norman Moore, president of the Brantford Board of Trade, was guest speaker, taking as his subject the history of nazism in Germany. He traced the origin of the Nazi creed back to the late 19th century.

FIRE RUINS PILE OF FENCE RAILS

Fire, reported to have started from sparks blown from some old cars which were being burned, completely destroyed a pile of over 1,000 fence rails on the Watson farm, Davis Drive East, Tuesday afternoon. The rails were oak and cedar and caused a large blaze which scorched one apple tree in the orchard. Because of the changing wind the farm buildings were closely watched until the fire was out. Both the Newmarket and camp fire brigades assisted and the latter pumped water from an excavation in the Soldiers' Settlement land on the south side of Davis Drive.

BENJAMIN PRICE, SR., BURIED SATURDAY

An employee of the Davis Leather Co. for 51 years, Benjamin Price, Sr., died March 20 at his home, Prospect St., Newmarket, at the age of 84. He had been ill for the past two months and he had retired some years ago.

Mr. Price was born in Shropshire, England, and in May, 1884, he married Elizabeth Egerton and they came to Canada on their honeymoon. He was a member of St. Paul's Anglican church, and was formerly a church warden. He was an ardent gardener and specialized in floral culture.

Surviving are his widow, two daughters, Mrs. Ross Haight and Mrs. Elizabeth Thompson, both of Newmarket, four sons, William and Percy, Toronto, and Harper and Ben, Jr., both of Newmarket, and one brother, Ned Price, England, eight grandchildren and six great-grandchildren.

Rev. G. A. Stone conducted the funeral service at the home Saturday. The pallbearers were six grandsons, Alfred, Lorne, Harry and Billie Price, Bert Cole and Burton Smith. Interment was in Newmarket cemetery.

NARROW ESCAPE

Two Newmarket men, Orval Vaughan and Harold Brown, had a narrow escape when the car they were driving plunged through a bridge railing into one of the Holland Marsh canals late Saturday afternoon. Vaughan, the driver, was pulled to safety by Brown.

Three-Mill Increase In Newmarket Taxes, Set New Rate at 37

An increase of three mills for a total of 37 mills for the Newmarket 1946 tax rate was included in the annual budget presented to the Newmarket town council Monday night by the chairman of the finance committee, Deputy-Reeve J. L. Spillette.

A break-down of the mill rate shows general rates, 19.1 mills; public and separate schools, 10 mills; maintenance and debentures, 3.6 mills; county rate, 4.3 mills; for a total of 37 mills. There is no assessment for the high school.

Highlights of the budget include:

Increased expenditures for fire protection of \$600 additional for a total of \$1,500 this year.

For widening Main St., \$1,000; for sidewalk repairs, \$1,625.

For municipal garbage collection, \$2,000.

The public school board, asking \$30,000 with \$11,000 earmarked for an improved heating system in Alexander Muir school, received \$19,000 with the heating plant to be covered by debenture.

Note Increased Spending As Town Budget Tabled

With grants by the Newmarket town council increased \$900 over last year for a total of \$2,250, most of the discussion on the budget centred here, when the budget was brought down by the chairman of the finance committee, Deputy-Reeve J. L. Spillette, Monday night.

The grants, as shown in the budget, were: Horticultural Society, \$200; Citizens' Band, \$600; Tennis club, \$50; Hardball club, \$25; Lions club, \$300; Boy Scouts, \$25; Women's Institute, \$500; Hospital for Sick Children, Toronto, \$50; Recreation Council, \$500.

An amendment was moved by the mayor, Dr. L. W. Dales, increasing the grant to the band by \$200 for a total of \$800, making the total of the grants \$2,450, which is \$1,100 over last year.

The \$300 grant to the Newmarket Lions club covers the town's share of the bandstand erected in the Lions park. The \$500 to the Newmarket branch of the Women's Institute covers the town's share of the operation of the supervised rest-room on Botsford St.

The grant to the Newmarket Community Recreation Council was sharply criticized by Mayor Dales. The recreation council had asked for \$1,000.

HONOR VETERANS

Those who served in the armed forces during the recent conflict from St. John's parish are being honored with a dinner at the King George hotel, Newmarket, on Thursday, April 4, at 7 p.m. The dinner is being given by the Newmarket branch of the Catholic Women's League and members of the parish.

MEN'S BROTHERHOOD

Rev. Henry Cotton is president of the Trinity United Brotherhood, a men's association connected with the church and which meets the first Monday of each month. E. J. Davis, Jr., is hon. president, Sanford King, vice president, and Kenneth Morton, secretary-treasurer. The organization was formed to meet the need of a men's association in the church.

RETURNS HOME

Sgt. W. Murray Huntley, son of Mr. and Mrs. Wm. Huntley, Queensville, returned home on the liner, Ile de France, last week. He has been stationed in England in the postal service of the R.C.A.F. for almost three years.

WILL MEET MARCH 28

The next monthly meeting of the Newmarket Veterans' Association will be held in the club rooms on Thursday, March 28. All members are requested to attend.

Fuel Business, Hillsdale Dairy Change Owners

Two businesses in Newmarket known as Evans Fuel, with Mr. Evans as owner-manager, change hands at the beginning of next month. Arthur D. Evans, Eagle St., has purchased the fuel business of Geer and Byers, and Fred L. Hall and his brother, Maurice, have purchased Hillsdale Dairy. The fuel business purchased from Geer and Byers will be known as Evans Fuel, with Mr. Evans as owner-manager. Maurice Hall will be in active charge of the dairy for the time being, Fred Hall says. He and his brother, who was recently discharged from the army after four years, have both had experience in the dairy business. Fred Hall is vice-principal at Alexander Muir school.

HIGH SCHOOL AREA FOR NEWMARKET

In recent weeks, a number of meetings have been held in different centres throughout the county where the formation of high school areas has been discussed. By a high school area is meant the centralization of secondary school education, the provision of one large high school with full curriculums, paid for through a larger assessment, and serving a larger area.

As it stands now, secondary school sections are laid down more along municipal boundary lines than in keeping with the size of the population. School areas, such as proposed by the provincial department of education, would be outlined in terms of population and assessment. For example, a high school area for Newmarket high school would include the northern sections of Whitchurch and King townships, and East Gwillimbury. Through the provision of transportation and hot lunches, no difficulty arises from the distances involved.

As the provincial department of education estimates it, a population of 10,000 with an assessment of eight to ten million dollars provides the ideal school area. Such a population would provide a school enrolment of 300 and the assessment would cover the increased operating expenses and the cost of transportation without giving the tax-payer extra burdens. In fact, on the basis of results obtained elsewhere, high school areas have resulted in lower school costs.

A secondary school for a population of 10,000 in an area with a ten million dollar assessment could be provided with a full curriculum including shop work, home economics, agriculture, and home nursing. Most rural secondary schools are unable to finance such additional teaching. The school board governing such a secondary school would have rural representation, something the Newmarket school board, in common with many other municipal school boards, lacks.

The provincial department of education is making no effort to impose school areas on the tax-payer. Instead, the department is holding meetings throughout the county where the benefits of the high school areas can be discussed and the public given a chance to see what can be accomplished through the formation of such areas.

Such a meeting is planned for Wednesday, April 3, in the Newmarket high school. Members of municipal councils, school boards, and those of the public who are interested are invited to attend. It is to be hoped that there will be a large audience. The provision of the best which should stand foremost throughout the secondary school education possible is an aim land.

PARENTS HAVE REAL RESPONSIBILITY

A 16-year-old youth was given a suspended sentence and placed on probation for a year in magistrate's court here Friday. The youth had pleaded guilty to the theft of a pair of pants the week before and the magistrate had postponed judgment until last week in order to hear character witnesses.

The farmer who employed the youth said that he had been a steady worker and that he had had no trouble with the boy. He said he was willing to take him back to the farm. The other witness said he had rescued the boy from previous minor scrapes and that he was prepared to stand by him this one more time. He said he believed the boy to be of sound character and explained his lapses as a result of "bad company." On the strength of this testimony, the boy was given another chance.

It was also disclosed in the evidence of one of the character witnesses that the parents of the youth were separated and had been for some time. Neither parent appeared in court. On the strength of the evidence, it is here, rather than the "bad company" that the cause of the youth's appearance in court would seem to be found. On the evidence, it would appear that the youth, lacking the stability and moral standards that a decent home life inculcates into children, was an easy victim of temptation which all children are exposed to.

On the strength of the evidence, the parents should have appeared in court, not the boy.

One of the evils that inevitably follows war is the effect on family life. Too often, in the general excitement and unrest, responsibilities to children are ignored. Nothing can replace the influence of a good home. The provision of a decent home environment is the responsibility of every parent.

MORE WIDESPREAD KNOWLEDGE OF COURTS

It seems to us a pity that more is not known about the workings of our courts, particularly the lower courts which deal with the less serious traffic cases and other minor infringements of the law. Often the charge and its penalty are not serious enough to warrant the expense of a lawyer. Yet the accused man, when he appears by himself, very often suffers from his own

ignorance of court procedure.

For example, the accused man has an opportunity to cross-examine witnesses against him. He does this by asking the witness questions and by the witness' answers, try to establish points favorable to his release. In the cross-examination, however, only questions can be asked. Statements are not acceptable. The accused has an opportunity to make statements when he enters the witness box to tell his story. Almost without exception, when asked if they wish to cross-examine the witness, the accused persons will ignore the magistrate's cautioning and make statements instead of questioning the witness. In this way, they lose the opportunity of questioning the evidence against them.

Of more importance still, however, is that a wider knowledge of the court procedure helps make clear the meaning of the democratic principles by which we are governed. In the courts as much as the legislative houses are found practical application of the principles of democracy. In the courts, for example, the meaning of the Habeas Corpus Act becomes very real, just as the right to vote becomes very real at election time.

In suggesting that knowledge of court procedure should be more widespread, we do not for one moment infer that with such rudimentary knowledge, persons accused of breaking the law conduct their own defence. The law is a specialized study. The lawyer has a very real place in society. Conducting your own defence before the court is very much akin to diagnosing your own illness. Up to a point, it can be done safely. Beyond that point, it is downright dangerous.

HOW TO TRAIN DOGS IN THREE LESSONS

According to the book we have, training a dog is easy if you just follow directions. Well, that is what the author says. We bet he never tried to train a dog like ours. There is a lot of difference between theory and practice. We know.

We bought this book on how to train a dog after a chase through a dozen muddy backyards the other day trying to catch our pup. We thought he was trained. Apparently he was just kidding. When we whistled, he used to come bounding along. This time, he figuratively thumbed his nose at us and galloped down the street. When we finally caught him, we bought the book and went to work.

The book says to tie a long rope to the dog, let him run ahead, then call him and at the same time exert a gentle pressure on the rope, pulling the dog towards you as you call. We tied the rope on the dog as instructed but instead of running ahead, he frolicked around until he and the rope were a hopeless tangle.

We straightened that out and tried again. This time, the pup ran a few steps ahead and then finding the drag of the rope too much, sat down. We tried walking away from the pup but he followed us. When we finally did get far enough away from him, the rope had become wrapped around a stump and when we pulled it as per instructions, we uprooted the stump. The pup thought it was lots of fun.

We suppose we would still be out there, trying to train the pup according to instructions, but when we finally got him far enough ahead of us to call, and the rope was clear for pulling, darned if the rope didn't break with the first yank and the last we saw of him for the next couple of hours was a black streak chasing a squirrel over the next hill.

Anybody want a book on how to train dogs?

In Passing

Two Newmarket artists have had paintings accepted for showing in the Ontario Society of Artists exhibition in Toronto. Both artists have made use of local material. It seems to us that in recording the scenes about them, artists have their greatest successes. Newmarket and the surrounding districts abound in material worth recording with brush and pen. The Newmarket Art Club will not have to go far to find its material.

What Others Think

TRIBUTE TO SMALL TOWN NEWSPAPERS

(Christian Science Monitor)

Turning from the city to the small town papers that come to us is like stepping from the slums, full of vice, into an old-fashioned garden sweet with lavender and thyme and the scent of perennial flowers. The pages of the big dailies are so full of murder, thievery, immorality and selfishness that the better news is obscured by these glaring shatterings of the Decalogue. One puts the paper aside with a feeling of depression and heartache that the world is so full of terrible and unhappy things.

Then picking up the papers that record the happenings of the little towns around us, one gains renewed faith in life. Here is set forth only that which uplifts a community—the activities of the business men, the church items, the happy social gatherings of the people, the marriages, births and deaths, farmers' items, and all the thousand and one daily occurrences that make up the simple annals of the great common people, who are really the foundation of this country of ours.

Scandals are seldom published in the country newspapers, but if it so happens that decency demands it, the uglier details are omitted or given a kindly touch that is widely different from the unfeeling publicity of the city press. The offenders may be our neighbors, or people we have rubbed elbows with all our lives. They are real human beings to their town paper, while to the great city dailies they are merely grains of a sort that are ground out hourly in their news mills.

Sometimes people speak lightly of the country newspaper, but it is one of the most potent and uplifting factors in our national existence.

WE LIVE TO LEARN

When Stoney Creek sent its message to women all over the world, the women of the world were hardly conscious of just what that message would mean to women from then on.

Women, in those days, with a few exceptions, were usually decorously quiet in public meetings and in politics dutifully agreed with father or husband.

Now women have learned that they have a very definite place in the articulate life of community, village, town or city and that the united voices of women can help to sway public opinion in a way that would have dumb-founded the men of yesteryear.

When we hear women talk from platforms, over the radio, at meetings in homes and parish halls and know the way their minds grapple with the problems of the day, we realize to the full the potential power that lies in their hands, as yet barely used. Such power is a formidable weapon. We can use it to overcome the obstacles in our search for the Holy Grail of a God-fearing and prosperous Canada or we can let it rust because we lack the nerve to use it.

Thoughts, something like this, went through my mind as I listened to the program at the West Branch W.I. meeting held on Tuesday, March 19, at the home of Mrs. W. and Mrs. F. Williams.

I can remember 25 years ago when Institute meetings, like meetings of other societies, were rather prim affairs—they were mostly community-conscious. They gradually widened their outlook to include Canada but it took this war to shake us out of our apathy and make us world-conscious.

It is hard for us in this land of plenty to visualize that people are dying of starvation. We try to think of what it would mean to see people drop by the roadside or in the streets of Newmarket or Toronto—just lie there and die because no one had food to give them. Those who saw them were apathetic only because they knew their own turn might come all too soon.

Thinking of this, it did one's heart good to hear the motion to

send a donation to the Save the Children fund. There were quite a few children at the meeting that day and I fancy those mothers shuddered to think "if it were my child."

There was an article read by Mrs. W. Walker on Binder Twine. I think most of us people just thought of binder twine—well—as binder twine. It was always there and that was that. But when we heard that the huge cactus-like plant from which it is made comes from Yuccatan and the dangers attendant on its production—poisonous snakes, insects, etc.—we began to think that binder twine should be viewed with respect. Frances told of a spray that is used to keep poisonous snakes and other enemies at bay around the production area. Then she told us something of the process the plant went through when it reaches the U.S.

Miss L. Starr read a fine selection on Know Ontario and it makes us ashamed to think that we do NOT know it better. I had just been reading Bright to the Wanderer—a tale of the William Lyon Mackenzie revolt against the tyranny of his day and it made one think of how many places of real historic significance we have close about us. Hogg's Hollow, Aurora, Newmarket, Holland Landing all played their parts in those pioneer days and so few of us know just how.

Mrs. A. Penrose had a fine vegetable and flower contest and we had a sing-song from our new song books. There is nothing like the old song books to make people's faces light up and to spread a mellow atmosphere through a meeting—unless of course the delicious supper which followed. We were treated to potato salad and stuffed eggs on lettuce with olives and pickles, bread and butter and tea.

So, after a very social half hour, we went home through the beautiful afternoon sunshine and over the very unbeautiful roads with new thoughts in our minds and a pleasant, friendly feeling in our hearts, which, it seems to me, is what the Institute is for.

GOSPEL ECHOES

(By Rev. A. B. Stein, Congregational Christian Church)
Freedom From Fear

Truly if there was ever a gospel (good news) needed throughout the world and in every age it is this: "Freedom from fear." With the exception of love, fear is the strongest emotion of the human heart. Love is greater for "perfect love casteth out all fear." Fear binds us, it thwarts us, it destroys us, it paralyzes us. During the war our hearts were filled with fear because of loved ones in danger. We fear because of the economic situation, we fear because of the unknown future, because of our lack of security. The whole world fears because of atomic power, including the scientists who discovered this power. Men fear the life beyond and what it holds. We fear because of our own sinfulness. From all this fear there is but one way of escape that I know anything about and that is "faith in God."

In Psalm 34: 4 we notice three things standing out clearly. I sought the Lord and He heard me and delivered me from all my fears. That is the testimony of a man who knew both bitter and sweet experiences. It can also be your testimony.

Over 100 times in the scriptures this grand refrain is sung: "Fear not, be not afraid." It is a message from the heart of God to the need of man. Happy indeed the man whose faith will lay hold upon the divine provision. He shall know "deliverance from all his fears." And what is faith? Let us think of it as "human weakness laying hold on divine power to supply all its needs through Christ." Now what is your need? Salvation? That is included here. "Fear not for I have redeemed thee, I have called thee by thy name, thou art mine." Isa. 43: 1. Then embrace Christ.

Trial? "Fear not, when thou passest through the waters I will be with thee." Isa. 43: 2. Anxiety? "The very hairs of your head are numbered. Fear ye not therefore, ye are of more value than many sparrows." Matt. 10: 30-31.

Space forbids that I say more, save this. Whatever your condition or circumstance in life, Christ is equal to it. Even as He came to the disciples in the storm tossed and battered ship, across the stormy and turbulent sea, so He comes to you. They were afraid, but He said: "Fear not, I am." Thus He comes to you. Thus He speaks to you. May we all follow the example of the disciples, receive Him into our ship and be delivered from our fears into the peace which only Christ can give. May we be able to say with Paul in Acts 27: 23-25, "There stood by me this night the angel of the Lord whose I am, and whom I serve, wherefore, sires, be of good cheer; for I believe God."

Jobs Follow Organization

But Employers and Workers Must Assist

During the war organization of manpower was made possible through co-operation of employers and workers.

This co-operation is no less necessary to assist in organizing the employment market during the present critical period.

Some manpower controls still remain. These are still law. They are aimed at assisting in organizing the employment market.

Remaining controls are designed to help employers and workers—and actually require only minor assistance from the public.

YOU ARE URGED TO COMPLY WITH THE FOUR CONTROLS WHICH REMAIN:

- 1—Employers MUST notify the National Employment Office of any need for workers, as soon as that need is known.
- 2—Where employers engage workers outside the National Employment Service they MUST notify the nearest NES Office within three days, that an employee has been engaged. (Form NSS 312 is provided for this purpose.)
- 3—Unemployed workers seeking employment MUST register with the National Employment Office if unemployed for seven consecutive days.
- 4—Generally speaking, any employer or employee MUST give seven days' notice to the other party of any intention to terminate employment. (Form NSS 120 is still required.) Exceptions may be learned from the nearest NES Office.

The partners to industry—employers and employees—should help the National Employment Service to promote a high level of employment by complying with these simple rules.

Only with public support can an employment service give full assistance to the community.

Make full use of the Local Office of the National Employment Service. It is there to serve your needs, and those of the entire Community.

An Embarrassing Compliment

THE appointment of an individual as executor of your estate is an expression of confidence in his or her integrity and ability. It may, however, prove embarrassing to the person so named. An executor has to deal with a variety of difficult problems. Many are highly technical... some require more time than can be conveniently spared. An executor hesitates to take a holiday; he may feel guilty if illness interferes with his duties as executor.

To ensure efficient, economical, continuous and continuing administration of your estate, name as your executor

M. Fletcher, Woodbridge, Named Jr. Farmer Head

Forty junior farmer and junior institute delegates representing six local clubs attended the annual meeting of the York County Junior Farmers' Association held in the agricultural representative's office, Newmarket, last Thursday.

Chas. Haines, Newmarket, president and veteran of over ten years of junior farmer activity in York county, presided over the meeting and in his address to the association stated that a period had been reached in the development of junior activities and interest to broaden the annual meeting to include all the membership. The secretary-treasurer, Walter Reesor, Markham, reported a financial balance for the year equal to last year.

F. M. Campbell, agricultural representative from Ontario county, addressed the group at the noon luncheon and spoke of some of the advantages of junior organization, and of how senior farm organizations were now looking for executive material among the juniors. In the afternoon, the boys and girls met separately and discussed individual problems. An exchange of ideas proved profitable to all.

The following officers were elected for 1946: pres., Mason Fletcher, Woodbridge; vice-pres., Mrs. Barbara Hart, Victoria Square; sec.-treas., Gordon McNern, Sharon; voting delegates to provincial Junior Farmer annual meeting, O.A.C., April 25 and 26, Chas. Watson, Todmorden; Mary Lavolette, Pefferlaw; non-voting delegates, Gordon McNern, and Jean Muirhead, Unionville. Directors to York County Federation of Agriculture are Perry Winch, Keswick, and Archie Fletcher, York Mills.

It was decided by the association to purchase a motion picture projector which would be available for all types of agricultural meetings throughout the county.

Before adjournment, the meeting moved a vote of thanks to the newspapers in the county and to the farm radio announcers for their willingness to publish and announce junior activities throughout recent years.

HOPE

There was no church on Sunday. Next Sunday the church service will be at 2.45, and Sunday-school at 2 p.m.

MAGISTRATE'S COURT

Liquor, Traffic Counts Costs Accused \$50

Pleading guilty to having five in a Ford coupe, J. E. Bosworth was fined \$10 and costs in magistrate's court here Friday. Magistrate J. E. Pritchard presided. Charged with illegal possession of liquor and charged with driving a car while his license was under suspension, Bruce Boudway was fined \$25 on each count. He pleaded guilty to both charges.

Constable Thomas Burke said that he found a carton of beer with two empty bottles in it in the accused's car. Constable George Foster said that when the accused got out of his car, there was a third filled bottle of liquor in his pocket.

On the second charge, Constable Foster testified that he saw the accused man drive his car in Sutton. A certificate from the Ontario department of highways was introduced showing the accused's license to have been suspended.

A 16-year-old youth, remanded from last week after having pleaded guilty to the theft of a pair of pants, was placed on a year's probation. Two character witnesses appeared for the youth and on their testimony, he was given suspended sentence.

Willfred Morton was remanded a week for additional evidence on the charges against him. He was charged with possession of liquor outside his home and having liquor without permits to cover it.

Constable Wm. Hill testified that on December 24 he saw the accused in his yard with a bottle of liquor. Morton said that he had left the liquor in his yard so that he could pick it up without going into the house for it. He was fined \$15 and costs.

On the second charge, Constable Hill said that on entering the accused's house, he found a bottle of liquor which accused said was his. A search of the house produced three more bottles which accused had at first denied the existence of.

Constable Foster said he had found the extra three bottles in the accused's dining-room and that Morton had said they belonged to two friends, that he had purchased the liquor and was holding it for them. Both officers said that accused could not find the permits for the liquor.

Morton said he had purchased the liquor for two friends and was holding it for them. He said he had been unable to find the permits at the time. He produced permits in court purporting to show that the liquor had been purchased at Lindsay.

Magistrate Pritchard remanded the case until next week and ordered the vendor at Lindsay to appear with the orders for the purchase of the liquor.

MAPLE HILL

Anniversary services will be held in Maple Hill Baptist church on Sunday, May 5. The Baker Hill ladies' double quartet will provide special music.

Next Sunday Capt. Harry Worling, who was held prisoner for 43 months in a Japanese prison camp, will be the speaker at the service at 1.30 p.m.

Miss Mabel Fawcett has accepted a position in Toronto.

Miss Viola Gillion left for Toronto this week where she is attending a hairdressing school.

CERTIFICATES GIVEN TO S.A. MEMBERS

Captains Murkin and Taylor, Toronto, were the special speakers at the Salvation Army service on March 17. Capt. Murkin was the speaker at the morning service and Capt. Taylor in the evening.

Capt. Murkin gave a flannel-graph lesson to the Sunday-school members. During the evening service the new penitential form was dedicated and a prayer was offered by Mrs. Edmund Adams, Sr. Corps Cadet Noreen Kirbyson was presented with a first class certificate by Mrs. Capt. Robinson for successfully completing a six months' study. Corps Cadet Audrey Trumble received a third class certificate. Zilpah Lavender was presented with a certificate for successfully completing a study on the Old Testament.

SAYS YORK COUNTY UNDER-FORESTED

Speaking recently in Markham, Major G. R. Lanes, for 20 years with the forestry service, said the minimum amount of land which should be forested to retain the proper moisture is from ten to 15 percent. York county, he said, had about eight percent forest area. He referred to the reforestation which had been done in this county, the land bought and reforested being the property of the county. He remarked that it was surprising how the owner's valuation of land jumped when selected for reforestation—land on which the owner had complained of not being able to make a living.

Farmers are well advised to retain some wood on their properties if possible, said Major Lane. If they wish to plant trees on the farm, they can be secured free from the government, except for transportation, and full instructions for planting and care will be given.

RAVENSHOE

(March 21)

CANCER

Next to heart disease, cancer is the greatest single cause of death on this continent. It kills 1,000 Canadians every month. One out of every eight persons now living must expect to die of cancer, unless far-reaching preventive measures are taken.

Cancer is a deadly killer unless the patient seeks early medical advice. But when caught in its early stages, cancer is generally curable.

The cause of cancer is still unknown, and there is yet no specific cure. But if diagnosed in time and treated by surgery, x-ray or radium, a cure can be effected in a majority of all cancer cases.

It is now proposed to organize an energetic campaign in Ontario against cancer in all its forms. This campaign will have the following objectives:

This appeal is for an objective of \$2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

ONTARIO CANCER FOUNDATION

This organized drive against cancer is a joint effort of The Ontario Cancer Treatment and Research Foundation and The Canadian Cancer Society.

PLEASE SEND YOUR CONTRIBUTION
TO 22 COLLEGE ST., TORONTO

1—To organize and operate fully equipped cancer clinics at suitable centres, where people may be examined, and, if necessary, treated according to the most scientific methods.

2—To pay a portion of the cost of treatment of cancer for those needing financial help.

3—To pay travelling expenses to and from clinics if needed.

4—To conduct an energetic program of cancer research.

To carry out this program, the first need is money. Your donation will definitely help to reduce the number of deaths from cancer in this province. It will help hundreds of people to be medically examined in time and to escape from the deadly clutches of cancer. It may well help research scientists to discover a cure for cancer and so free mankind forever from the dread scourge of cancer.

Holland Landing Plans Community Memorial Hall

By W. H. Tones.
A little over a year ago the Holland Landing Community Association was formed to purchase a snow plow and one month from its formation a snow plow was bought, paid for and put in operation.

This year the Community Association has set for its objective the erection of a community memorial hall to honor those of our boys who served in both world wars. The task may seem difficult but it is hoped that with the spirit that has existed in all efforts during the past five years, the success attained in work for the Red Cross, cigarettes and comforts for the boys while overseas and the wonderful success the welcome home committee had when they purchased and presented 43 wrist watches to the boys when they returned home, this work will be done.

Considering these successful efforts, it is to be wondered that the people of this old, historic village have such optimistic ideas concerning the success of this task ahead? Looking back to what has been accomplished it is stimulus to the efforts put forth in the future.

Plans are being drawn by Geo. Luesby, Newmarket, and a call for tenders for the building of basement walls, etc., appears in this week's Era and Express. Building and financial committees have been appointed and the ladies are organizing a women's auxiliary that will without a doubt be a great asset to the association.

Letters will be mailed to all former residents, also to those who it is thought will be interested in the efforts of the people in this community to reach their objective that by their support and co-operation this village may build a much needed hall which will be a heritage to the generation to come and a monument to those who served their king and country in the hour of need.

ROCHE'S POINT

Close to 100 guests and members of the Roche's Point hockey club attended a banquet for the Roche's Point hockey team at Belhaven on Friday night. Much credit is due to the hockey club for the keen interest taken in the boys and it is hoped the people in this community will do all they can to encourage hockey playing and bear in mind that these boys have no rink where they can practice.

Ross Folkeard, president of the club, was praised for the interest he is taking in the hockey team, as was Ross Wrightman, the secretary-treasurer of the club.

Rev. Gordon Lapp, who acted as chairman of the evening, called on Rodger O'Dell, captain of the team, Coach Charles Walink, Manager Joe Edwards, Wm. Davison and Clark Martin for remarks, and in their addresses all showed interest in the welfare of our hockey team.

The mothers and wives of the hockey club members as well as many other friends who were present were responsible for the chicken supper.

A dance followed.

ROYAL WINTER FAIR TO REOPEN THIS FALL

The Royal Winter Fair, a war casualty, will be reopened this fall in Toronto, according to Col. T. L. Kennedy, Ontario minister of agriculture, who made the news known at recent annual livestock conventions. He promised all the support necessary to make it an outstanding show, and forecast that it would be the greatest exhibition of livestock ever assembled in Canada. Breeders are already scheduling a feeding program to accept the challenge.

Col. Kennedy also announced that an effort to open up new markets for breeding stock in leading strains of swine is being made. A representative from his department has been sent to Mexico with this plan in view and the possibilities in other countries are being canvassed.

An intensified campaign is also being instituted for control of animal diseases. Particularly of interest is the determination to extend research and practical control of Bang's Disease which has caused heavy losses among dairy herds of late years. Blood tests and vaccination are continuing on a widened scale.

The Women's Institute Branch of the department is sponsoring a program of better nutrition for school children. The slogan, "Carry a box of health to school" is keynoted in a booklet, School Lunch Primer to Good Eating Habits, copies of which may be had on application to the department.

Courses of instruction in farm management offered for soldiers under the Veterans' Land Act, have been started at the O.A.C., with 35 presently in attendance who plan to farm under the land scheme. Classes are held daily, with Saturday spent in practical work on the college farm. The course runs in two-month periods.

Long distance lines are still HUMMING

WITH MORE TELEPHONES in use than ever before, and people using them more, the number of Long Distance calls keeps going up and up.

We are training hundreds of new operators, adding many miles of new circuits and installing new switchboards to handle them. Everything possible is being done—but it does take time.

Until the job is done we will continue to need your co-operation. It is helpful when you observe the proper sequence in placing your calls with the operator and when you keep your talks as brief as possible.

WHEN YOU CALL:

FIRST, give Long Distance the name of the city you are calling.

THEN the number of the distant telephone. (If you do not know the number make a note of it for future use when you hear the operator repeat it.)

THEN when the operator asks for it, give her the number of the telephone from which you are calling.

Please avoid unnecessary details.

C. E. BLOSDALE

Manager

"Are you sure it won't be a nightmare?"

"It's a dream," she said.
"No," he said, laying his hand lovingly on the hood of the new car. "Dreams disappear in the morning. This is ours for keeps."

"Are you sure it won't be a nightmare... paying for it?"

"Listen, little lady, have I ever bought anything we couldn't afford? Not me! It's a system I've got... not my system, but it's as good as if I'd figured it out myself. Simple subtraction! I take what I earn, and first I subtract the total of my life insurance premiums. That looks after you and Jimmy if... but never mind the ifs. Then I subtract the mortgage payments, taxes, your monthly allowance, and so on. Okay.

What have we left? Gravy! And when that gravy piles up in the bank we can spend it, honey, without a second thought, because our life insurance takes care of our future."

When you provide for the future through adequate life insurance, your present spending can be budgeted with a carefree mind. There is no substitute for life insurance as a means of systematic saving and of giving you and your family such immediate protection.

Near you, wherever you are, is a neighbour in the life insurance business. Ask him for advice in planning your future. It's good citizenship to own life insurance.

Honor Roll Of Pupils Unveiled At 'Open Night'

On Wednesday evening the Keswick public school held "Open Night." Work done by the pupils was displayed in the classrooms. Of special interest was the craft work in the senior room. Coffee tables and end-tables, flower baskets, paper-mache vases, etc., all showed originality and artistic ability.

The main event of the evening was the unveiling of the school's honor roll. Rev. Gordon Lapp and Rev. R. J. Serrick took charge of the unveiling service which was most impressive. The singing of a hymn was followed by a Bible reading.

The prayers paid special tribute to those who gave their lives in the service of our country.

Then the flag was lifted from the honor roll, and the National Anthem was sung.

The senior girls sang a group of songs.

George Luesby of Newmarket then showed his moving pictures. Many were of local interest and were much enjoyed by all. Refreshments were served by the pupils.

The following is the list of names of the former pupils of

S.S. No. 2, North Gwillimbury, who served in the second World War.

Ernest Arnold, Roydon Connell, Charles Cowieson, Fred Crittenden, Ivan Cryderman, Glen Crouch, James Davison, Wallace Donnell, William English, Donald Fisher, Charles Green, Lawrence Green;

Alvin Hirst, John Hogg, Maurice Huntley, Robert Hillis, Douglas Laurie (missing), Kenneth Laurie, Lloyd Mainprize, Jack Mainprize, Alen Marritt, Donald Marritt, Edwin Marritt, Clyde McInnis, Donald McInnis; Bruce McKinnon;

Roscoe Miller, Eyrol Morton, Harley Morton, Kenneth Morton, Gordon Prosser (Rev.), James Pedlar, Kenneth Peters, William Peters, Ralph Pollard (killed), Irwin Pollock, Jerald Pollock, Robert Pollock;

Allan Ritter (missing), Donald Robinson, Vernon Rye, Alvin Sedore, Malcolm Sedore, Oran Sedore, Sherman Sedore, Walter Sedore, Gordon Smith, Ormsby Smith, William Smith;

Carl Tomlinson, Arnold Tomlinson, George Tomlinson, Munro Thompson, Harold Thompson, Donald Thompson, William Vail, Omand Walker, Dick Whipple.

QUEENSVILLE

The mail driver for the fourth and fifth concessions is having his difficulties these days with muddy roads. He has had to seek the help of the farmers several times to pull him out of the mud holes. Fortunately for all, the roads will soon be able to carry all we care to put on them.

Cpl. Dan Shannon received his discharge this week and is now employed in Toronto.

Mr. and Mrs. Len Case and Miss Shirley Smith spent the weekend at the home of Mr. and Mrs. Fred Smith.

Mrs. Allan Balsdon, who has been in the Western hospital, Toronto, for the past two weeks, has returned home and is much improved in health.

The regular meeting of the United church W.A. will not be held until April 9.

The Red Cross Society requests that all sewing and knitting be completed and sent in by the end of this week as the final shipping will be on the first of next month.

Harry Leadbetter has sold his grocery business to Henry Huick of Whitechurch who will take possession on April 1. Mr. Huick has served five years with the airforce.

Mr. and Mrs. Gib. Shaw have moved to Toronto where they will reside with their son, Harvey.

The Newmarket Era and Express office is open Saturday afternoons from 2 to 4 o'clock for the benefit of our patrons.

PLEASANTVILLE

There was a good attendance last Tuesday at the home of Mrs. Frank Williams for the Institute meeting. A donation was voted for "Save the Children Fund," and Mrs. Penrose, the sewing convenor, announced another quilting at the school house in the near future. Miss McQueen and Miss Starr each gave a paper and Mrs. Penrose a garden contest.

The Bogartown club will meet this Friday night at the school. It will be Bachelor Night and we are anticipating a good program. The club has discontinued sending parcels overseas as just Orley McClure and Francis Starr are the two absent ones from our community.

On Saturday night, the following gathered at the home of Mr. and Mrs. Harry West to help celebrate their 25th wedding anniversary: Mr. and Mrs. Ewart, Mr. and Mrs. F. Williams, Garnet Williams, Miss McQueen, Mr. and Mrs. W. Walker and J. Stickwood.

Mrs. Doug. Harrison and little George of Snowball spent the weekend with Mrs. Harrison's parents, Mr. and Mrs. M. Sheridan.

Miss Florence Tucker, Toronto, spent the weekend at the Walker home, Bogartown, having Sunday dinner with Mrs. G. McClure, Dora and Murray McClure.

Mr. and Mrs. Stanley Playter, Burlington, spent several days last week at the Toole homes.

Little Miss Mary Sheridan visited at the home of her brother and sister-in-law, Mr. and Mrs. Doug. Sheridan, Newmarket, over the weekend.

Owing to the condition of the roads the Willing Workers' meeting will be cancelled for this month.

SNOWBALL

The March meeting of the Women's Institute was held at the home of Mrs. Wm. Davison with a good attendance of members who answered the roll-call of "garden plans or suggestions".

The secretary of the Welcome Home committee reported their plans and the Women's Institute arranged for a progressive euchre and sale of home made baking at Middlebrook's Hall March 25 to help this veterans' fund.

Mrs. Davison gave a current event paper and Mrs. Alvin Ridley read a suitable paper on the post war utilization of farm products.

A solo, The Rose of Tralee, by Mrs. Clifton Copson, was enjoyed. A presentation of a set of Pyrex ware was made to Mrs. George Morton who has been secretary for four years and who is moving from the neighborhood.

Mrs. Winch was appointed to this office to complete the term. Miss Helen Lloyd and Miss Hamilton, Toronto, spent the weekend with Mr. and Mrs. John Morning.

Miss Mary Mills, Newmarket, spent Sunday at her home here.

Miss Barbara Morning spent Sunday with relatives in Toronto.

Mr. and Mrs. Phillip Bridgman were Sunday dinner guests of Mr. and Mrs. Gordon Bond.

Mrs. Norman Haines, Toronto, is spending a few days with Mr. and Mrs. Raymond Haines.

Mr. Charles Stephenson and Keith Smith, Willowdale, spent Sunday with Mr. and Mrs. Bert Smith.

Mrs. H. Patrick attended the district directors' meeting at Newmarket on Monday afternoon.

Mr. Allan Mills, Brampton, spent Sunday at his home here. The death of Mrs. Kate Donaldson, Toronto, occurred on Monday. She was a sister of Mrs. Rose Ferguson, Newmarket, formerly of Snowball. Mrs. Ferguson was in Toronto with her sister during her illness.

Mr. Howard Haines and Mr. and Mrs. Owen Barr spent Tuesday evening with friends in Toronto.

LOCAL MARKET

Eggs were 30 to 37 cents a dozen on the local market on Friday afternoon.

Carrots and potatoes were 35 cents a six-quart basket, turnips and cabbage five cents each.

TORONTO MARKET

On the Toronto markets on Tuesday, butter, creamery solids, No. 1, brought 38 cents a pound. Creamery prints, first grade, were quoted to retail dealers at 38 cents a pound.

Country dealers were quoted on graded eggs, cases free, delivered to Toronto, for grade A large, 34 to 34½ cents a dozen, A medium, 34 cents a dozen, A pullets, 30 to 31 cents a dozen.

In the poultry section, chickens, grade A, milked, over 5 pounds, were 32 cents; fowl, grade A, over 4 pounds, 26 cents a pound.

Weighty steers were \$11.75 to \$13.15; butcher steers, \$11 to \$12.40; heifers, \$14 down; fed yearlings, \$12.25 to \$13.25; butcher cows, \$8 to \$10; canners downward to \$5.50; bulls, \$8.50 to \$10.50; stockers, steady, \$10 to \$11.50.

Calves were \$16 to \$17 for choice, common to medium, \$9 to \$15.

Lambs were \$14.50.

Sheep, \$4 to \$9.

Hogs, dressed, grade A, were \$18, grade B1, \$17.60 and sows, \$15.50.

QUEENSVILLE PRESENTED WITH LAMP ON 25TH ANNIVERSARY

Sunday, March 17, completed a quarter century of wedlock for Mr. and Mrs. Walter Balsdon of Queensville.

The family arranged a surprise gathering when about 25 in all enjoyed a luncheon after which Mr. and Mrs. Balsdon were presented with a trilight lamp.

KESWICK

The boys who carried Keswick Hockey club colors were honored with a banquet in the United Sunday-school rooms recently. Their mothers and sisters took the lead in preparing and serving the banquet. All but two of both senior and junior teams were able to be present. Other guests were younger boys who belong to the scouts but who have not yet played on the teams.

St. Patrick's Day being close at hand, the attractive and traditional decorations for that day were used for the tables. Short speeches of appreciation to the boys were given by Coaches Austin Huntley and Wm. Purdy, Manager Ralph Henry and Rev. Gordon Lapp. The ladies were thanked with three cheers and a tiger.

Parents of the boys were also present and a few others who had helped with their cars and in other ways. Several of these expressed their appreciation of the occasion and the teams. Bud and Fred Thompson, who have been members of the teams for the three years that Keswick has been represented in the Sutton league, were presented with hockey sticks which were farewell gifts.

Sgt. Ray Zurbrigg, recently returned from service with the American army in Japan, Guam and elsewhere in the east, is staying with his parents at their Maskinonge Park home. Rev. Nelson Chappel, associate secretary of the Religious Education Council of Canada, was a dinner guest at the home of his cousin, Mrs. Carl Kellington, on Sunday. His aunt, Mrs. Geo. Plowright, Mining, and another cousin, Miss A. Caldwell, Barrie, were weekend guests of Mr. and Mrs. Kellington.

Mr. Chappel preached in Keswick United church morning and evening and at Ravenshoe Sunday afternoon. In the evening he spoke of the World Youth Conference in London, Eng., last November. This was shortly before his return from overseas service as an R.C.A.F. chaplain and he acted as one of the adult advisers to the Canadian delegation.

At the evening service the lessons were read by Bob Atchison and Bob Peters with Ruth Mary Winch as soloist.

Mrs. Selby Barker has returned to her base line home after some weeks in York County hospital. Mrs. Barker is a little better.

Pte. Bill Peters returned from England on Thursday.

Mrs. Wm. George, who recently underwent an operation in Toronto General hospital, was able to be moved to the home of friends in Toronto last week.

Mr. Wm. Sedore, who is in Toronto Western hospital, will be moved home as soon as possible.

March is still lamb-like with but a few days to go "out like a lion" if the old belief proves true this year.

Miss Carrie Marritt, who is on the sick list, is somewhat improved.

Yes, of course, those neighbors and friends mean well. But your health is too important to risk chance counsel. Before you take any advice consult your doctor. Heed his experienced counsel. Get his prescription. Then bring that prescription he gives you to us for careful compounding.

WANT MORE MILK?

Then use a feed that's SCIENTIFICALLY BUILT for that purpose

Purina Mills has been manufacturing feed for over 50 years and for a good part of that time has been testing its cow feeds on a big experimental farm herd. That certainly gives Purina Cow Chow a real background of experience and experiment. You can see the results you get from mixing Cow Chow with your chop or rolled grain—a ration that really rolls out the milk without running down the cow.

CLASSIFIEDS CAN BE OF SERVICE TO YOU

SERVING AURORA AND DISTRICT

Honor Veterans At Banquet, Servicemen Given Book-Ends

"Aurora appreciates what you have done for us, and we would like to give you the whole town," said Mayor Ross Linton to over 175 ex-service men and women who were banqueted, entertained, and presented with a set of book-ends by the town of Aurora in Mechanics' hall last Thursday evening. Those who were not present, but whose names appear on the municipality's honor roll, will receive their book-ends, which bear the dominion coat-of-arms, the crest of the town of Aurora, and the name of the recipient in bronze on wooden bases, either by mail or by calling for them at the municipal offices.

Previous to dinner, an impressive ceremony took place, with the "Silent Toast." The hall was blacked and a white cross stood illumined in the darkness by a burning torch. Bugler William Greig sounded Last Post, Mayor Linton read the names of the boys from Aurora who had paid the supreme sacrifice, Rev. R. K. Perdue gave a brief prayer, Reveille was sounded.

Seated at the head table were Mayor Linton, Rev. W. J. Stewart, president of the Aurora branch of the Navy League, Dr. E. J. Henderson, president of the Aurora Board of Trade, John Sisman, president of the Aurora branch, Canadian Legion, Reeve C. E. Sparks, Deputy-Reeve A. A. Cook, Dr. C. R. Boulding and Alan Gleave representing the army, Charles Egan, Merchant Marine, Clayton Videman and Lees Owrman, navy, Jimmy Jones, Canadian Fire Fighters, Herbert McKenzie, R.C.A.F. Presenting the book-ends were Dr. Henderson, Rev. Stewart, Rev. Roy Hicks, Rev. S. W. Hirtle, Rev. A. R. Park, Reeve C. E. Sparks, George Duffield, Deputy-Reeve Asa Cook and Councillors Rod. V. Smith, Stewart Patrick, William West, A. N. Fisher.

"We are trying to make Aurora one of the best towns in Canada—a place where you'll be happy, and where your children will have a chance for a successful start in life—as good as anywhere else in the world," said Mayor Linton. "You all grew up in Aurora or in towns like it, you met in combat men of all races and creeds, and came out victorious. Some of you won decorations, some rose high in rank, but there is no distinction being made by the town, you are all on equal footing. It is up to you now to come out for what you want as forcefully as in war. You can help make Aurora a better place in which to live by getting behind every worthwhile project in town. You are the saviors of our way of life."

A floor show followed, featuring Jimmy Good, Ernie Bruce, Hazel Redzel, Dorothy Sheppard, Violet Murray, Ross Bertram, Dorothy Fielding, Lois Spence, all headline variety show artists, and a 90-minute show drew rounds of applause. The evening closed with the singing of Auld Lang Syne and O Canada.

JOHN WILLIAM BEATTY DIES IN 77TH YEAR

The death occurred on Wednesday, March 20, at his residence of John William Beatty, a resident of Aurora the past 18 years. Mr. Beatty, who was in his 77th year, had been in poor health for some months.

A native of Markham township, he moved as a child to near Lefroy. After farming there he moved in 1907 back to the family homestead in Markham where he farmed until 1917, then moving to Toronto. After his retirement to Aurora he was for some years the local mail carrier.

He was a member of St. Andrew's Presbyterian church and the funeral service on Friday was conducted by Rev. S. W. Hirtle. Pallbearers were six nephews, Donald, George, John, Lloyd, Gordon and Douglas Beatty.

He is survived by his wife, the former Milcah Steele, member of a well known York county family, and three brothers, Robert, Gormley, Frank, Churchill, and Frederick, Barrie.

CANCER DEATHS SAID 1,700 EACH MONTH

E. L. McKay of the Ontario Cancer Treatment Research Foundation was guest speaker at the Tuesday meeting of the Aurora Lions club. He was introduced by Dr. Crawford Rose.

Mr. McKay pointed out that 1,700 were dying in Canada each month because of cancer and that during the war years, Canada had more cancer casualties than battle casualties. "The disease is not curable providing we continue our research work and financial support," he said. He outlined what was being done in Canada and Ontario to fight cancer. Frank Underhill moved the vote of thanks.

now that you have saved it you must see it is kept, so that there will always be freedom of speech and thought, freedom of religion, freedom from want, and yes, freedom from fear.

"The gift we presented you is but a token. Whatever we spend must be paid for and it is your fathers and mothers, sisters and brothers who pay for it by way of taxation. You, too, would also contribute. Large towns and cities have done next to nothing for their returned men, some of the smaller communities have made handsome presentations but the funds have been raised privately and there has not been a comparable list to present to."

His worship recalled a gift of a gold watch made in 1902 to his late father on his return from the South African war. The watch, not because of its value but because of its sentimental attachment, had remained a prized family possession. He hoped the bookends would be treated similarly and be handed down in families.

His worship forecast increased industrial development in Aurora. He pointed to developments at the Canadian Anodized Products where production was now underway. "Employment would shortly be tripled he felt. Mechanics' Hall was seeing one of its last functions, being in the process of being leased by the town to a manufacturing firm. Other business interests were considering Aurora as a location and signs looked good as to the possibility of deals being closed. He urged patience in the matter of housing, saying steps would be taken to encourage building as soon as more materials were available.

Thanking Aurora on behalf of ex-servicemen, John Sisman, president of the Aurora branch of the Canadian Legion, urged all veterans to stick together and present a united front. He expressed thanks to the various organizations sending parcels and comforts overseas. "You have to go a long way from home some time to really appreciate all the things you left back home and the fact that it isn't such a bad town after all." He promised full co-operation on behalf of the Legion branch in all civic matters.

A floor show followed, featuring Jimmy Good, Ernie Bruce, Hazel Redzel, Dorothy Sheppard, Violet Murray, Ross Bertram, Dorothy Fielding, Lois Spence, all headline variety show artists, and a 90-minute show drew rounds of applause. The evening closed with the singing of Auld Lang Syne and O Canada.

ART FLEURY DIES, WAS WELL-KNOWN RESIDENT

Funeral services were held on Saturday at P. M. Thompson's Funeral Parlors for Arthur Ellsworth Fleury, one of Aurora's best known residents. Mr. Fleury, son of the late Mr. and Mrs. Alfred Fleury, was born in Aurora and was in his 54th year. Although not in good health, his death came suddenly. He had been down town a few hours before his death.

Mr. Fleury was a wheel chair case for 35 years. At the age of 19, while in his prime and known for his ability as a skater, cyclist and harmonica player, he was stricken and two years later he suffered another stroke. Despite this handicap in life, he remained cheerful and for many years conducted an insurance and real estate business. Despite the weather, he seldom missed a day going for his mail and tending to his affairs.

The funeral service was conducted by Rev. Roy Hicks with interment at Aurora cemetery. Pallbearers were Leonard Holman, Robert Leggett, Gordon Anthony, Bill Allen, George Patterson and John Hilt. He is survived by four sisters, Mrs. Richard Pugh (Ethel), Aurora, Mrs. Wiley Brown (Bertha), Newmarket, Mrs. N. Storks (Violet), Oshawa, and Mrs. M. Sager (Emaline), New Toronto, and five brothers, Lorne and Joseph, Aurora, Russell and Cecil, Toronto, and Nelson, Saskatchewan.

MIDGETS TAKE WHITBY 7-4 IN FIRST ROUND

By AB. HULSE

Showing superior form for the entire 60 minutes of play, although outscored for over half the game, Aurora Lions Midgets with a game whirlwind attack that could not be denied even by the super goal-tending of young Frank Dalby in the Whitby nets, won the first game of a goals-to-count series over Whitby Midgets on Tuesday at Barrie 7-4.

Aurora carries a three-goal lead to Oshawa tonight where they will meet the Malleable Iron youngsters in the second game. Unless a complete reversal of form occurs, the local kids should be a safe bet for the final round of the O.M.H.A. series. The Simmons-Holloway-Babcock speedsters were full value for their win, and but for some jittery work in the first period, they would be carrying a bigger lead. If anybody can take credit for the fact the Whitby boys are still within hailing distance it is Dalby, long-geared visiting netminder. Dalby was little short of magnificent in the three periods he handled 47 shots as compared to 19 by Ronnie Kyle of Aurora. That gives some idea of just how Aurora dominated the play for most of the game and looked like the proverbial "million dollars."

For the first time since the Newmarket series, the Aurora lads had to come from behind to win, and if anyone has any doubt about the midgets possessing plenty of the old moxy, that question was fully answered by a blockbuster attack on the Whitby ramparts in the second stanza. Penalties started the Ontario county kids on the skids, Aurora getting their third and tying goals as Whitby was short handed and once our youngsters had got the range they just couldn't be denied. Ron Simmons performed the hat trick for three lovely goals, as did Bill McGhee, while Walt Davis, third member of the Aurora dynamite line, got the other. Wait was in on most of the others, too.

A crowd of 250, mostly from Aurora, were on hand for the contest and we have been in the Barrie arena on many occasions over the past three years when four times that number didn't make the same volume of noise. Many local fans, strangely enough, were seeing the Aurora youngsters in action for the first time. Stuart Patrick of Aurora and "Bud" Bragg of Whitby handled the game, and the boys, although ten penalties were handed out.

Ron Simmons got the opening goal at 1:07 of the first period. Jack Atkinson started the play, relaying to Walt Davis who slipped it over to the uncovered Simmons. It was nine minutes before Whitby had a shot that found the Aurora net, and with Davis off for tripping, Doug Williams fooled Kyle from close in. A little over a minute later, Red Heron gave Whitby the lead with a nice effort, the teams being at full strength. Dalby stalled off the Aurora tries and at 18:35, Gordy Neal caught Aurora up the ice and broke with John Fallaise, the latter beating Kyle with ease. Whitby had a goal called back for offside in the period, and King and Heron drew roughing penalties.

Whitby struck fast in the second, Williams doing the trick in nine seconds. A prolonged gangling attack was finally rewarded by Simmons' tally. Williams got the gate and McGhee picked up the puck back of the Whitby goal to score a quickie unassisted. Fallaise drew a penalty for tripping, and then Aldred attempted to put Andrews through the boards and "sassed" referee Stew. Patrick unwise. With a one-man advantage, Bill McGhee deadlocked the count from a scramble in front of the nets. Ron Simmons gave Aurora the lead at 14:32 on Davis' pass, and two minutes later Davis hit the score-sheet boldly with a nice goal.

The third period found Whitby displaying improved form, despite a goal within ten seconds of the start by McGhee after Andrews had set up the opening. Both teams missed good chances, and were showing signs of wear and tear. Aurora claimed a goal as the light flashed, but referee Bragg, who was on top of the play, ruled it out as hitting the post only.

Aurora: goal, Kyle; def., Atkinson and Andrews; forwards, McGhee, Davis, Simmons; subs., Attridge, Wilkinson, King, Cook, Rose.

Whitby: goal, Dalby; def., Corner and Aldred; forwards, Williams, Ritchie, Yull; subs., Fallaise, Neal, Heron, McGregor, Mark, Merker.

SEEK HISTORY OF PERSONNEL OF YORK UNIT

To perpetuate the history and service record of the Queen's York Rangers (1st American) Regiment, questionnaires have been forwarded to all former members of the county unit requesting information as to the length of service, decorations, units served with, rank, etc., during the war.

Envisioning increased activities for the reserve army, including better pay, better training conditions and more adequate recognition of services, the questionnaire requests all ex-Queen's Yorks to indicate whether or not they would be ready to serve in the reserve army. It is indicated that the unit is anxious to enroll again as many former members as possible from those who were on active service and special opportunities are being afforded these men to add to their service.

While the county unit was mobilized late and did not go beyond Canada as a regiment, it is estimated unofficially that well over 2,000 officers and men, formerly with the unit, enlisted for active service, many winning distinction and rising to high rank.

BOTH TRUCKS ANSWER CALLS OUTSIDE TOWN

For the first time in almost a year since Aurora has had two fire trucks, the Aurora fire brigade was called upon to fight two fires within a few minutes of each other.

First came a call to extinguish a large grass fire near Oak Ridge and the new truck went on call. Shortly afterwards, an alarm was sounded to fight a combined grass and bush fire in King township near Snowball and the old truck went out on the job. The grass fire at Oak Ridge was soon halted and upon the return of the new truck it was dispatched to the other fire as well.

The Aurora brigade was engaged for several hours in putting out the latter blaze. Both calls come under the fire agreement with King township, which as yet awaits signing, but for which a retainer has been received.

A.H.S. HAS REVENGE, DEFEATS GRADS 32-19

Aurora high school basketballers gained revenge for a loss sustained early in the year to the high school grads team by defeating the ex-students a 32-19 defeat on Friday afternoon. Gar Doolittle, Bill Babcock and Earl Rose looked mighty good for the grads with Charlie Seath, Hugh Cousins and Walt Bunn turning in nice games for the winners.

A.H.S. (32): Patrick (7), Monkmann (4), McNaught (6), Mundell (4), Seath (5), Bunn (2), Cousins (4), Urquhart, Lee.

Grads: Gar Doolittle (9), Craig McKenzie, Peter King, Earl Rose, Bill Babcock (3), Doug Nisbet (7), Heath Hamilton.

Aurora Textiles Leases Historic Mechanics' Hall

Aurora secured a new industry on Monday evening when Aurora town council approved a by-law whereby Mechanics' hall was leased to Charles William Stollery of Toronto for a period not exceeding two years for the purpose of establishing a knitting mill in Aurora.

Mr. Stollery, Toronto drygoods merchandiser, and interested in the manufacture of textiles, knitted goods and sportswear, obtains possession on April 1, and he acts on behalf of the "Aurora Textiles," a limited company whose charter is now in the process of being passed by the Ontario companies' branch of the provincial secretary's office.

Under the terms of the lease, the town gives possession on April 1 and the firm is permitted to make such alterations within the building needed for their operations, including additional plumbing and heating facilities. The lessees agree to return the property to the municipality in good condition at the end of their term of tenancy. A rental of \$50 per month commences on July 1 and is payable on the first of each month thereafter. The lease runs for a year, but the lessees have the option of renewing their tenancy for a further year under the same terms upon giving the town notice two months before the lease expires.

It is not expected the firm will get into operation before July 1, as heavy machinery is being imported from Great Britain and the United States, and delivery can not be made earlier. Employees, it is expected, will be mostly girls and women, and to start with it is estimated around 25 hands will be employed.

It is understood that the "Aurora Textiles" are contemplating either building their own factory when materials are available or conditions warrant, or will take up factory space in the municipality as it becomes available.

The new firm, it is understood, has ample capital for its commitments. The management will reside locally and except for a few key workers, all employees will be absorbed as much as possible from the local labor market.

The lease, in the opinion of members of council, gives the municipality full protection.

The leasing of Mechanics' hall, while providing an industry for Aurora, leaves the municipality without a large public hall for dances. Built in the '70's it once housed the Aurora public library, and has been used in its day for dances, political meetings, banquets, roller skating, badminton, and during the past few months, on Sundays as a place of worship by the Aurora Gospel church. It has been the property of the municipality for many years, and during the past five or six years, several thousand dollars have been spent by council in renovating it. Last public function scheduled for the hall is a dance on March 29.

At the banquet to Aurora veterans on Thursday, Mayor Ross Linton pointed out that while Aurora would temporarily be without large hall accommodation, the Aurora high school auditorium and the several smaller halls could probably fill the demands. The high school board had promised the hall would be made available for political meetings and other meetings. Aurora had been for some months endeavoring to ascertain when the Ordnance Corps' return stores depot would be vacating the Fleury-Bissell-Grover Shoe property on Wellington St. but could not obtain any definite information from the department of national defence.

At the most, it looked no longer than 18 months, and it was rumored that it might be as early as next fall. If this occurred, a number would be thrown out of employment and there would be factory space available which might suit the new industry.

"We are anxious to bring industry to town and we had to make a decision in this matter right away as the firm wants to get started. We feel it is a worthwhile proposition, and we are optimistic about the firm," Mayor Linton said on Monday evening. "There may be other space available in town soon for them, meanwhile Mechanics' hall will be occupied by the new firm for at least a year, and possibly two years."

Councillor Rod. V. Smith, while approving of securing an industry, disliked the possibility that the lease might run for more than a year. "We are badly in need of a community hall and I would hate to lose our only large public hall for more than a year, much as I like to see industry coming to town. We are badly in need of a hall for community activities."

"The sooner we get rid of Mechanics' hall permanently and get a new community hall the better," said Councillor Stewart Patrick.

From a revenue standpoint, the rental of the hall, while considered very moderate from an industrial or business standpoint, will return the town more than the annual year's revenue derived from the hall, and in addition the new firm will be subject to a business tax. The power needed would also boost the revenues of the Aurora Hydro-Electric Commission as a place of worship by the Aurora Gospel church.

One of Aurora's oldest businesses undertakings, Ough's Hardware, passed into new hands last week with Councillor Stewart Patrick, of the Aurora Meat Market, purchasing the business. Since 1882, the late William Ough and later John Ough, have carried on an extensive hardware, plumbing and heating business in Aurora.

Mr. Ough, Sr., has retired from the business, but Mr. Ough, Jr., remains together with all the staff in their old positions under the new management.

Mr. Patrick also recently purchased the Gregory property on Yonge St., now occupied by Dominion Stores, adjacent to his own business. It is understood no change will be made in existing tenancies in the building.

Kenneth Forsythe, Aurora painter, underwent an operation at York County hospital recently. He is progressing favorably.

The steady, strong demand for eggs and poultry makes it plain that this is going to be a profitable year to start good chicks — as many as you can raise right.

In choosing your chicks, remember what so many poultry raisers have found to be a fact — "The Bray Chick Does The Trick!" Mrs. M. V. Kidd, Nipissing, Ont., for example, writes this: "I have raised Bray chicks for more than 15 years and have always had great success with them." Mrs. Blanche Seymour, Lennoxville, Que., reports: "The chicks were lovely and strong and we had excellent luck with them." Mrs. Amos Wilson, Turtle Creek, N.B., writes: "Excellent results — I know of no better chicks anywhere."

Poultry meat markets are just about swept bare. If you started your "main crop" chicks earlier, put your brooding equipment to work again with a bunch of Bray cockerel chicks. Write for our "Daily Special", or ask your Bray agent or hatchery manager.

DOWN THE CENTRE

By AB. HULSE

Spring fever is very much in evidence these days on the sports front. Bill Boaks, energetic president of the Highland Golf club, announces that everything is being readied for a grand opening and that tournament play will get underway by June 1.

"The boys will be on their toes this year and there won't be any delay in games as we intend to keep things rolling all year," he says. "The course looks in great shape for so early in the year."

A larger membership is expected. All sportsmen will regret to learn that Colin Nisbet, owner of the club, who made great improvements all along the line last year, has had a relapse from his recent illness, necessitating his return to hospital in Toronto and further treatment.

"Pop" will be eagerly looked for by his host of friends who are pulling hard for him.

New nomenclature for golfers has occurred with the announcement by Fred Corcoran of the P.G.A. that henceforth the following terms will be in vogue. Buzzard is to mean two over par on a hole; bat is to indicate that you were only one over par; par of course speaks for itself. Birdie meaning one under par and eagle meaning two under par still retain their places. The new terms were badly needed, most of us needing them rather than the old familiar birdie and eagle.

Old style golf balls are going to be available by July, which will be good news for all after pounding the wartime variety. Pres Thompson, just back from Florida, managed to get in a few rounds of golf in the south and will have a head start on the boys. Pres took a fancy to the automatic caddy used on many American courses and rented for 35 cents. It is a wheel affair which can be used upright or flat, carrying the golfer's clubs and easily pulled on any terrain. It solves the caddy problem which has been a bugbear for some years, though not likely to be so from now on. We understand they are not too hard to build if you are mechanically inclined and since they are on sale by American sporting goods stores, they will doubtless be available in Canada soon. "P. M." also got to see Connie Mack and his athletics in action and reports great enthusiasm throughout the south for baseball and sports of all varieties.

Lacrosse seems due for a big revival and tonight (Thursday, March 28), there will be a meeting at Richmond Hill to organize the southern part of the county for lacrosse. Woodbridge is ready to play both intermediate and junior so are the Hill and Maple folk. They have a good idea in mind with two junior series, one for players in the age limit who are good enough to play in a higher series, and will be permitted to do so, and another group for fellows who are just minor league calibre and will not be eligible to play in any other series. The territory is adjacent to Aurora and Newmarket and we know local clubs would be more than welcomed by those in charge down south.

Is there a sponsor in the house? If so we know first hand by way of many inquiries that a group of Aurora youngsters are keen to play Canada's national game again. Jackie Flecker, Tracey Barrager, Bill Mundell and others are ready and willing to play, if they can get some adults interested or a bit of backing. The kids are even willing to buy their own equipment if need be and there'll be no lack of candidates for the team. If we could find the time there's nothing more we'd like to do than help the kids. It goes without saying any support short of taking an active hand which we can give will be available. Anyone interested can deal with the boys direct or contact this corner for further information.

Orilla and Midland will both be back in lacrosse again this year. They will not be in senior company since the playing material just isn't available for that class but they'll be in there pitching in intermediate and junior company and they definitely have the welcome sign out for any teams from these parts. Frank Doyle, so 'tis said, is already visualizing the return to

home ice. Crowland of course had a big advantage over Sutton because of the fact that artificial ice is handy at St. Kitt's, Grimsby, Port Erie and Port Colborne and in this kind of weather every opportunity to get on ice really pays off. Well, no matter what the verdict is, the Sutton lads can be well satisfied with their efforts this year.

Orchids to those in charge of North York secondary school hockey who, when ice wasn't available here, went out and secured Varsity arena for a game between Newmarket and Richmond Hill high schools. The Hill won out as you know to make a fairly even division of winter sports laurels. Meet the champs: goal, Bob Hood; def., Mac Clement (junior B calibre), Bill Moore and Phil Stewart; forwards, Jack Atkinson (Aurora midgets), Sandy Neal and Jack Rumney (Stouffville juniors), Pete Bawden, Norm Alexander, Dave Simser and Balfour Panke; coach, Jack Tapscott. They were a pretty fair club but at that were lucky to catch Aurora in the midst of O.M.H.A. play-offs and with tired players. Thorold will be the next opposition for

THANK YOU

For the past 12 years, we have striven to take care of your needs. Sometimes, it was not always to your liking because the war years have been most trying in the fuel business. Despite the handicaps of lack of transportation and short supply, we have tried to the best of our ability to see that our customers kept warm with the best class of fuel available.

We sincerely thank you for your co-operation and patronage and express our deepest regrets that we have not been always able to supply you with the fuel you wanted.

At this time, we take pleasure in announcing that Arthur D. Evans, Eagle St., has purchased our business which will be known as

Mr. Evans will take over the business on Monday, April 1, 1946, and carry on from the same premises for the time being.

We know that Mr. Evans will give you his best in this new venture and hope that you will continue your same good patronage as in the past.

Thanking you again for your co-operation,

We have every reason to believe that our predecessors developed and established a large number of friends in satisfied coal customers, and in passing along to us this splendid clientele, it will be our sincere desire to continue the same prompt and friendly coal service that has been given in the past.

There may possibly have been times, no doubt, when such service has not been what was expected, however, I believe you understand it was through no fault of the dealer. Many factors in the coal industry retarded home delivery and complete coal burning satisfaction, but now we have good reason to tell you the coal industry is "gearing" itself to supply better coal more promptly in future to the public. This will be welcome news to you as the user and it makes us feel happy as your coal dealer and supplier.

Our immediate plans for the betterment of our service to you include a building program to properly house certain of our coal stock, to carry sufficient equipment and help to ensure as good delivery as possible—and to maintain a close relationship with the coal suppliers to enable us to get the best possible fuel to suit your requirements.

The change of ownership of this business has not affected our coal service in any way. We have certain coal stocks available for immediate delivery and if you call us, telephone 5, we'll be glad to assist you to the best of our ability.

We would like to remind you—it is a wise move to order your coal well in advance of your needs, always. This enables us to give you much better service. We look forward with a great deal of pleasure to serving you.

Thank you,

Sincerely,

WEDS VIOLET LONG

A quiet wedding took place on
Saturday in the chapel of St.
Paul's Anglican church, New-
market, when Barbara Elizabeth,
eldest daughter of Mr. and Mrs.
Maxwell Fines, was united in
marriage to Donald H. Johnson,
son of Mr. and Mrs. E. C.
Johnson, Newmarket. Rev. G.
A. Stone officiated.

The bride, given in marriage
by her father, looked lovely in
a full-length dress of white
tulle with sweetheart head-
dress and fingertip veil. She
carried a bouquet of red roses.
The bride was attended by her
sister, Helen, wearing a full-
length dress of heaven blue net
over satin with hat and gloves
to match. She carried a nosegay
of carnations and sweet peas.

Mr. Wilfred Johnson, Toronto,
brother of the groom, was best
man.

A reception was held at the
home of the bride's parents. The
bride's mother received in a
dress of deep rose with black
accessories and a corsage of
sweetheart roses. She was
assisted by the groom's mother
who wore a pale green flowered
crepe with black accessories and
a corsage of Talisman roses. The
couple left for a trip to northern
Ontario. They will reside in
Newmarket.

IRENE BONE WEDS

LLOYD GILKES

In Glebe Road United church,
Toronto, a quiet but pretty wed-
ding was solemnized on Monday,
March 25, of Irene Bone, daugh-
ter of Mr. and Mrs. Charles Bone,
and Creston Lloyd Gilkes, only
son of Mr. and Mrs. Tess Gilkes,
all of Newmarket. Rev. F. W.
L. Brailley officiated.

The bride, who was given
away by her brother, Leonard
Bone, Newmarket, wore a pink
georgette dress with blue acces-
sories and carried a bouquet of
roses and carnations. She was
attended by Mrs. N. M. Budgell,
Toronto, who wore a blue geor-
gette dress and carried a bouquet
of pink carnations and other
spring flowers. Dr. Budgell was
groomsman.

A reception was held at the
home of Dr. and Mrs. Budgell
and 40 friends and relatives
were present for the buffet
lunch. The bride's mother re-
ceived in a blue dress and the
groom's mother, who assisted,
wore a black and white dress
and both had corsages of mixed
flowers. Several members of
the variety show of which the
groom is a member were also
guests. The wedding trip was to
Niagara Falls and other points.
On their return the young couple
will make their home in Toronto.

DOWN THE CENTRE

(Continued from Page 8)

Aurora or Whitby, having taken
Goderich in their series by a fair
margin. The Kiwanis club of
that centre sponsors the team
and they are the defending
champions. Hockey gets priority
ran a headline of a C.P. dispatch
and we rubbed our eyes and
clipped it for reference. It was
from Goderich where, aside from
the midjet team just eliminated,
a strong juvenile B team is still
in the running for Ontario hon-
ors. Principal A. R. Scott of
Goderich C.I. must have made
history of some kind when he
postponed the school's Easter
examinations one week because
15 youngsters were respectively
engaged in O.M.H.A. hockey and
junior C hockey, not to mention
the fact the entire student body
was talking, eating and sleeping
hockey. We have no comments
to make on the matter. It
speaks for itself in fairly loud
terms.

Principal J. W. Lockhart of
Newmarket high school gets our
nomination for coach of the year.
Just in case you didn't notice,
Newmarket high annexed both
North York cage titles, something
new in the history of the school.
We referred the first games
played by the purple and gold
and got in another set towards
the end of the season. That the
teams had improved 100 percent
is a matter of record now. They
were full of fight, made few
waste moves and had pretty
well solved the systems used by
their opposition. All this means
in addition to a fairly strong
roster, sound, capable coaching.
Take a bow Mr. Lockhart.

WEDS VIOLET LONG

A quiet wedding was solemn-
ized at the home of Rev. A. R.
Park, Aurora, on March 8, when
Violet Elizabeth Long, daughter
of the late Mr. and Mrs. George
Long, Aurora, was united in
marriage to Lyman Leslie Hea-
cock, son of Mrs. Seth Heacock,
Newmarket, and the late Mr.
Heacock. Rev. Mr. Park offici-
ated.

The bride was becomingly
dressed in a rose crepe dress
with black accessories and a cor-
sage of red roses and white
sweet peas. Mrs. Rueben Long,
Aurora, sister-in-law of the
bride, was matron of honor and
wore a Nile green dress with
black accessories and a corsage
of pink roses and pink sweet
peas. Rueben Long, brother of
the bride, was best man.

A reception followed at the
bride's home for the immediate
family.

The young couple are making
their home in Newmarket.

**MARION HARMAN
IS MARCH BRIDE**

A quiet wedding was solemn-
ized at Bradford on Saturday
afternoon when Marion Harman,
daughter of Mr. and Mrs. Chas.
Harman, Newmarket, was united
in marriage to John Bellar, son
of Mr. and Mrs. Crawford Bel-
lar, Holland Landing. Rev. Mr.
McTavish, Bradford, officiated.

The bride wore a blue street-
length dress. She was attended
by her sister, Mrs. Norman
Darrach, Newmarket, who wore
a pink street-length dress. Both
carried red American Beauty
roses. The best man was Mr.
Norman Darrach.

At the reception at the home
of the bride's parents, Mrs. Har-
man received in a wine feather
flannel dress, assisted by the
groom's mother, who wore a
navy blue georgette dress. After
a short honeymoon they will re-
side in Newmarket.

**HELEN MOSLEY IS
MARCH BRIDE**

The wedding of Helen Olive
Mosley, niece of Mrs. Charles
Stickwood, Newmarket, and
Robert James Holmes, son of
Mrs. Wm. Holmes, Toronto, and
the late Mr. Holmes, took place
in the Christian parsonage on
Friday afternoon, March 8, with
Rev. A. B. Stein officiating.

The bride wore a street-length
gown of turquoise crepe romaine
with brown accessories and a
corsage of orchids and white
bridal roses. Joyce Vanden-
Bergh was bridesmaid and wore
rose crepe with black accessories
and her flowers were orchids
and roses. John Holmes, brother
of the groom, was best man.

After the ceremony a recep-
tion was held at the home of the
bride's uncle and aunt, Mr. and
Mrs. Charles Stickwood, with
whom the bride has made her
home since early childhood.
The bride's aunt was gowned in
brown, while the mother of the
groom wore a blue ensemble.

The young couple will reside
in Toronto where the groom,
since his return from overseas, is
serving on the police force, fol-
lowing in the footsteps of his
father, a Newmarket boy, who
served in the Toronto police force
for 39 years.

RAVENSHOE

Mrs. Edith Crowder and Miss
Gladys Noxon moved from Ra-
venshoe to their new Mount Al-
bert home on March 21.

The previous evening, follow-
ing the supper at the church,
they were presented with pic-
tures by the people of the church
and the Sunday-school where
they have worshipped and have
helped with the activities. It
was recalled that Mrs. Crowder
had served as teacher of the Bible
class and as president of the Wo-
man's Missionary Society and
had helped with the Young Peo-
ple's Society and other organiza-
tions during her years of resi-
dence at Ravenshoe. Because
she was always a lover of flow-
ers and a flower gardener, Mrs.
Crowder's picture was a repro-
duction of one of the beautiful
flower garden paintings.

Addresses accompanied the
gifts, the address to Miss Noxon
being read by Beth Bosworth
and that to Mrs. Crowder by
Rev. Gordon Lapp. Louise Ham-
ilton and Mrs. Harold Bray pre-
sented the gifts.

Considering the condition of
the roads, there was a good
attendance for the supper. A
number came from Keswick, in-
cluding Mr. and Mrs. Judson
Cole who always enjoy a return
to Ravenshoe.

Ravenshoe people were pres-
ent in numbers at the funeral
service for Thos. Laws. It was
held in Newmarket on March 25.
Mr. Laws having died in the
hospital there. Burial was in
Newmarket cemetery. Rev.
Alex. H. Halbert, Beeton, and
Rev. Gordon Lapp were in
charge.

Palbearers were Ravenshoe
men: Stanley Armstrong, Edwin
Green, Percy James, Wm. King,
Chas. Harrison and Percy Pol-
lock.

The Newmarket Era and
Express office is open Satur-
day afternoons from 2 to 4
o'clock for the benefit of
out of town patrons.

**WEDDING HAS
LOCAL INTEREST**

The wedding was solemnized
at St. Andrew's Presbyterian
church, Aurora, March 16, of
Anne, daughter of Mr. and Mrs.
William Summers, Victoria St.,
Aurora, and Norman Rush, son
of Mr. and Mrs. Norman Rush,
Newmarket. Rev. S. W. Hirtle
performed the ceremony.

Given in marriage by her
father, the bride looked lovely in
a gown of white sheer with
long veil. She carried a bou-
quet of red roses. Miss Mae
Heath was bridesmaid and had
chosen a street-length dress of
blue sheer, with blue hat and
accessories. Her flowers were
pink roses. William J. Summers,
brother of the bride, was best
man. Miss Marjorie Andrews
presided at the organ.

Following the ceremony, a re-
ception was held at the home of
the bride's parents. Mrs. Wil-
liam Summers wore a blue sheer
frock. Her flowers were red
roses. Mrs. Norman Rush, Sr.,
wore an orchid flowered silk
gown. Her flowers were Talis-
man roses. Guests were pres-
ent from Hamilton, Newmarket
and Toronto.

For travelling the bride wore
a light blue suit with black ac-
cessories. Following a short
trip to the south they will reside
in London, Ont.

MRS. RICHARD HARPER DIES IN 87TH YEAR

Mrs. Richard Harper died at the home of her daughter, Mrs. James Storach, on March 18 following an illness of five years. Born near Mount Albert December 19, 1859, the daughter of Wm. Grose and Sarah Ann Park, Annie Grose married Richard Harper March 26, 1878. He predeceased her June 24, 1931.

Respected in the community and a friend to many, Mrs. Harper was an adherent of Mount Albert United church.

She is survived by three sons, Seymour, Mount Albert, and Fred and Will in the west, and two daughters, Mrs. Thorold Miller (Flora), Richmond Hill, and Mrs. James Storach (Mabel), 15 grandchildren and 15 great-grandchildren.

The funeral service was held at the home of Mrs. Storach March 20 and was conducted by Rev. W. H. Burgess. Interment was in Mount Albert cemetery. Pallbearers were Reg Willbee, Ed Haight, Will Storach, Norman Oldham, George Walsh and Alfred Parke.

Ken Ross has commenced digging the foundation of his new service station and show room on the corner lot on Centre St.

The Morton Bros. will soon have the addition to their garage completed.

Alvin Dike has improved his mill by building an addition and making a new front on it.

Geo. Brown was taken to York County hospital on Saturday night for an appendix operation from which he is recovering.

Mr. Fred Harper, Saskatoon, who was called home to attend the funeral of his mother, Mrs. Annie Harper, expects to return to his home this week.

Mr. and Mrs. Vernon Armstrong and Helen Oliver, Toronto, and Mr. and Mrs. Armstrong, Stayner, were guests of Mr. and Mrs. J. Oliver, Sr., on Sunday.

Misses Florence and Gladys Brooks spent the weekend with Dr. and Mrs. W. L. Carruthers.

Rev. David Harrison and children of Toronto spent the weekend with relatives here.

Mr. Harry Griffith has moved into Mr. John Walker's house on the hill which he recently purchased from the Rear estate.

Mrs. Crowder, Ravenshoe, has purchased the house vacated by Mr. Griffith.

Jack Greig, Second St. E., has purchased Geo. Walsh's house on the townline and will be moving in this week.

Mr. and Mrs. Geo. Walsh are moving into part of the Misses Harrison's house on the hill.

Many heard Rev. V. J. Lehman preach in the Gospel church last Sunday.

Mrs. Fred Peagam spent the weekend in Toronto with her

daughter, Mrs. S. Hogbin.

Mrs. W. Robertson and Lloyd spent a recent weekend in Fort Erie.

The Young People of the Gospel Tabernacle, Newmarket, will conduct the Y.P.'s in the Gospel church this Friday at 8 p.m.

FLT.-SGT. JACK WILLBEE LISTED PRESUMED DEAD

The Cheerio Group of the United church will hold their regular meeting on Saturday evening at the home of Mrs. Roy Carr.

Mr. and Mrs. M. Lyons and children, Scarborough, spent Sunday with Mr. and Mrs. W. R. Draper.

Mr. and Mrs. Ken. Duncan and little daughter, and Muriel Ross of Toronto were Saturday visitors at the home of Mrs. H. Ross.

After three years, Mr. and Mrs. Reg. Willbee have received word that their son, Flt.-Sgt. Jack Willbee, has been presumed dead. Flt.-Sgt. Willbee came down over Burma in Feb., 1943, while flying a Hurricane.

Mrs. Marrett was a guest at the home of Mrs. Roy Carr on Thursday.

Mr. Jas. Hogg has sold his farm in Scott to the present occupant, Ross Holstock.

Friday evening, the town hall, which was filled to overflowing was the scene of another community party for the boys returning from the services. Cash vouchers were presented to each of the boys by Mrs. M. Stokes.

John Oliver, Jr., was master of ceremonies. Roy Stewart introduced the boys to their hostesses of the evening and several stunts were put on.

Then the Victory Entertainers of Toronto gave a fine program of vocal and violin solos, musical selections on a saw, tap dancers and community singing.

After which all were treated to lunch and the remainder of the evening was given over to dancing. Everyone had a lovely time as there was something for everyone, and not a dull moment.
